Please bring this catalog
with you Saturday evening.

Dear Friends of Nebraska Christian,

On behalf of the Nebraska Christian Schools family, we would like to welcome you to our Dinner and Benefit Auction. Our many families, dedicated teachers, administration and staff want you to know that they appreciate your presence and the support you show by your enthusiastic participation in the bidding this evening.

We are grateful for the generosity of so many in giving their time, talent, and resources to this event. We know that the financial gain realized is only part of the benefit we receive. We consider the relationships formed during the last eight auctions a great blessing to us and to the school.

*With thankful hearts,
Kathy Chase

Jody Heuermann
Development Office Staff*

The mission of Nebraska Christian Schools is to assist the family and church by providing a Christ-centered education, equipping students with a Biblical world-view and encouraging a love relationship with the Lord Jesus Christ.

The reason for our Benefit Auction is.....

Private educational institutions such as Nebraska Christian Schools face the challenge of providing quality education without the help of tax dollars. Nebraska Christian is also not under the shelter of denominational support. Parents of students must bear the majority of the costs involved in educating their students, but tuition alone does not meet all the demands. We are thankful for friends like you who invest in the lives of our students as they are trained to impact the world for Jesus Christ.

*“The fear of the LORD is the beginning of wisdom;
and the knowledge of the holy is understanding.”
Proverbs 9:10*

THE NEBRASKA CHRISTIAN SCHOOLS FOUNDATION

*A message from Jody Heuermann,
Executive Director:*

A “legacy” is defined as “a gift left to someone.” Most have been given something of value by God that could be left as a gift. One of the very best gifts we can leave to future generations is the gift of a quality Christian education.

As you consider the gifts you have to give, feel free to call me or any of the board members to discuss how the NCS Foundation can assist you in...

*“Leaving a legacy that builds lives
for eternity.”*

OUR MISSION IS.....

To glorify God by providing a means through which gifts can be received and invested in order to build a solid financial base for Nebraska Christian Schools.
