

It has been a privilege to get to know many of you during the last nine years. Please consider the impact NC has on young lives as you contemplate the many requests that come across your path.

If your support is through your business, we will encourage our NC family, which is substantial in number, to thank you by their patronage. In addition we will include your name in our listing of donors at the event and in our quarterly publication that goes out to over 2,500 families.

Because of your generosity the school has realized a net profit of over **\$800,000** from the last nine auctions!

This will be our 10th Dinner and Benefit Auction!

Be a part of helping us to push our total from all ten auctions to **\$1,000,000**

You can help in any of the following ways:

- Donate cash
- Donate an item to be auctioned
- Purchase a Corporate Table
- Purchase a Regular table
- Attend the event

We have enclosed response cards for your convenience. Thank you for being a part of our **10th Dinner and Benefit Auction** supporting Nebraska Christian Schools as we. . .

Build Lives For Eternity

*Becky, Kathy & Jody
Development Office Staff*

As one of the area's largest private sector employers, NC continues to make a positive impact on our economy. For the past 53 years, NC has brought families to the area both for education and employment. Our sports and fine arts events have attracted visitors who frequent our local businesses.

NC's current enrollment is 215 students in PreK - 12th grade. Included in that number are 32 international students from South Korea, China, Thailand, Japan, Taiwan and Viet Nam; thus bringing income from overseas.

Our students serve the delicious meal and assist with the auction.
